EXECUTIVE SEARCH

The success of your organization is highly dependent upon the caliber of your leadership team. Linke Resources is uniquely equipped to locate and hire today's superstars who will contribute to tomorrow's success in your organization.

Through our deep industry knowledge and experience in behavioral and traditional healthcare, developmental disabilities, education, and other nonprofit organizations, we possess the critical insight needed to identify a diverse slate of candidates who will excel in your company culture.

Many of the best candidates for critical positions are currently employed and may not actively be looking for a new position. Linke Resource's retained executive search process leverages our extensive network of diverse talent and delivers top talent candidates who are true leaders.

DIVERSITY, EQUITY & INCLUSION

Linke Resources believes in creating inclusive work places where team members from all backgrounds and experiences can be their true selves. We are committed to fostering not only the diversity of the team, but also an inclusive culture that is vibrant, engaging and collaborative. We believe that when people feel respected and included, they can be creative, innovative and successful.

We can support your organization's diversity, equity, and inclusion initiatives. Our team can evaluate the status of DEI within the organization, build strategies to strengthen diversity, boost equity and celebrate inclusion. We can also provide virtual DEI Officer services on a retained basis.
